Dear Councilmembers,

I want to state my opposition to extra rent control in our town. California already has rent control - AB 1482. This proposed extra rent control hurts homeowners, housing providers and renters. It attempts to solve the affordable housing situation on the backs of mom & pop housing providers and homeowners.

Please don't let this extra rent control proposed by outside political organizations, affect the income and retirement of myself and my neighbors.

Do not be steamrolled by the DSA. Let us solve our own housing issues our own way - the Larkspur way. Do not let this town become another Fairfax.

Thank you.
